Dear Sir:

We received your letter of April 24 and have forwarded it to our corporation counsel for formal reply.

We note on page 2 that you state "A remedial investigation/feasibility study work plan, which includes a detailed scope of work for the proposed studies, is available for your review upon request." We request you send us a copy for our examination.

Since this matter has dragged out for years, it would be impossible for us to provide you with a formal reply within 14 days. We request that 60 days be allowed for any careful review of this entire matter, as well as the report you will be sending to us.

Yours truly,
